

PRICE LISTS

We operate a team approach, so when you call for an appointment our reception team will make sure you are booked in with the right person to deal with your problem effectively.

We pride ourselves on offering affordable, high quality care. If your problem can be treated by a junior member of staff we will advise you, and will not recommend more sessions than necessary.

DEEP OSCILLATION SELF TREATMENT OPTIONS

As we are the only clinic in a 20 mile radius to have a Deep Oscillation machine, and are in a unique position to offer an affordable 'Self Treatment' option to our clients

You can either pay as you go for your self-treatment or purchase a block of sessions up front to make a saving. All clients must have a full assessment from one of our Therapists prior to using the self treatment option to ensure it is appropriate, and so our team can guide you on the most cost-effective option to go for.
